Who is Dart?

- We are a private, family owned business.
- 1937 – The Dart family opened a small machine shop to make dog tags for the military and measuring tapes.

- 1959- Experimentation with CFC Free Foam Cups began.
- 1960- April 20 First Foam Cup (6 oz.) Shipped.
- Vertically integrated – truck fleet, ink, plastic cup sleeves.
- 2012- Acquired Solo.
- Today- Largest manufacturer of foam cups in the world!*

**Dart also makes a variety of paper, rigid plastic, and compostable containers.*

A Product for all Applications

Why do we use foam?

- It works!
    - Keeps hot drinks hot
    - Keeps cold drinks cold
- It is low cost!
- It has many positive environmental attributes!
    - Low water waste
    - Minimal raw material
    - and most importantly……
