

Fee Distributions	Scenario #1	Scenario #2
	Retailer sends tire to recycler	Retailer takes tire to county
Fee	\$2.00	\$2.00
Retailer handling	(\$0.06)	(\$0.06)
Retailer retains credit	<u>(\$1.00)</u>	
Balance to DOR	\$0.94	\$1.94
DOR Distribution		
DHEC	\$0.50	\$0.50
County	<u>\$0.44</u>	<u>\$1.44</u>
	\$0.94	\$1.94

Firestone Dubs the 2023 NTT INDYCAR SERIES Season the 'Most Sustainable Season of Motorsports Ever'

Firestone Firehawk race tires made with sustainable, domestically sourced guayule

MICHELIN MATH: Uptis' greatest impact

12%
of scrapped
tires each year are
due to unrepairable
air loss failures.

+

8%
of scrapped tires
are due to irregular
wear by improper
air pressure.

=

20%
of scrapped tires that
could be addressed
by Uptis' airless design.
That's a total of 200
million scrapped tires
saved annually.
